To Whom It May Concern:

OLP Construction has performed superbly on the recently constructed 200,000 SF, 4 story building called Douglas Grand in Winter Park, Florida for Holiday Style Homes.

The building consisted of shallow foundations, slab on grade, and poured in place concrete elevated slabs. OLP was responsive, timely, flexible, professional, and performed high quality work.

Should there ever be a need to discuss OLP's performance with me, please feel free to contact me on my cell phone at 407-319-6003.

Yours truly,

Andrew L. McCorkle  
President
